Verse 2

It's only half a mile
But I like to go in style
So I always do my shopping in a four by four
Never mind the CO2
There is nothing I can do
Climate change won't trouble me until it's at my door

Verse 3

I take my SUV
When I go on holiday
I drive it to the beach and then complain I have to pay
Country lanes are small
They're not made for cars at all
They should add a roundabout and build a motorway
